Dear Ms Haywood

## **COMMON GENERIC TRANSFERABLE UNITS FOR THE CHILDREN'S WORKFORCE**

### **UCET Response to CWDC Consultation**

UCET welcomes the opportunity to comment on the second version of the units covering the five fields of study. All of the units specify relevant objectives and the assessment criteria in each case clearly relate to the intended outcomes. Moreover, the differentiation between the three levels is convincing. In UCET's view, all of the units will contribute strongly to an appropriate professional preparation for members of the children's workforce.

Yours sincerely,

James Rogers  
Executive Director
