# THE JOY OF NOT KNOWING

A Philosophy of Education Transforming Teaching,  
Thinking, Learning and Leadership in Schools

*Transforming the way we are able to inspire our students to teach in a way that removes all barriers to learning and inspires every child to develop a lifelong love of learning. The book contains hundreds of ideas based on actual practice that help our students construct classrooms cultures that function as communities of enquiry, rooted on values, rights, curiosity and challenge and promoting multilingual, creative and critical thinking as part of the everyday teaching and learning process*

To obtain your own signed copy and a free CPD session on the Joy of Not Knowing book please send Marcelo a quick email with your postal address:

[info@jonklearning.co.uk](mailto:info@jonklearning.co.uk)

Marcelo will then sign, dedicate and send you the book by post (all for £20 including the conference special offer, all P&P and a totally free CPD session on JONK for your team and/or students!)
