**Wednesday, 5th November 2025**

Dear colleague,

As we bring the Curriculum and Assessment Review to its conclusion, I would like to extend my warmest thanks to you for your engagement, insights, and support throughout this important process.

Your contribution has been instrumental in shaping a comprehensive, inclusive, and forward-looking review. Your willingness to contribute your time, expertise and experience exemplifies the care and dedication that exists across the sector. It is only through such collective input that we have been able to identify and examine the key issues that reflect the diverse voices and needs within today's education system.

This review has reinforced the importance of collaboration and shared purpose in addressing the challenges and opportunities ahead. While our formal review process has now concluded, I hope the conversations and relationships fostered over this period will continue to inform and strengthen our collective efforts to improve education for all.

Once again, thank you for your support and your belief in the value of this work. I am sincerely grateful.
