Improving educational experiences and outcomes in all parts of the world

International Council on Education for Teaching World Assembly 2026

The 66th International Council on Education for Teaching (ICET) World Assembly 2026 will be hosted by the Australian Catholic University in Melbourne, Australia, from 7–9 July 2026.

The 66th World Assembly 2026 will address the global uncertainty facing teaching as a profession in times of geopolitical, environmental, and social justice and technological challenges. The World Assembly will convene a timely scholarly conversation about sustaining an reimagining the profession in these challenging times and invites researchers from around the globe to convene for this purpose.

Call for Submissions

You are invited to submit an abstract for an individual paper, symposium or workshop for the 66th World Assembly of the International Council on Education for Teaching (ICET) in one of six sub-themes below:

- Educational policy and its impact on the teaching profession
